

cross cultural analysis of pdf

Cross-cultural may refer to . cross-cultural studies, a comparative tendency in various fields of cultural analysis; cross-cultural communication, a field of study that looks at how people from differing cultural backgrounds communicate; any of various forms of interactivity between members of disparate cultural groups (see also cross-cultural communication, interculturalism, intercultural ...

Cross-cultural - Wikipedia

Cross-cultural psychology is the scientific study of human behavior and mental processes, including both their variability and invariance, under diverse cultural conditions. Through expanding research methodologies to recognize cultural variance in behavior, language, and meaning it seeks to extend and develop psychology. Since psychology as an academic discipline was developed largely in ...

- In developing cross-cultural intelligence, you will learn that to be effective in communicating with people from different cultures, you need to absorb information, observe behaviors, ask questions, and so much more. It's important to understand intention, theory, and history, in some cases. You need to be curious, you need to flex your style, strategize according to the information you have ...
