Russian – European Union relations are the international relations between the European Union (EU) and its largest bordering state, Russia, to the east. The relations of individual member states of the European Union and Russia vary, though a 1990s common foreign policy outline towards Russia was the first such EU foreign policy agreed. Furthermore, four European Union-Russia Common Spaces are ...

The topography of Iran consists of rugged, mountainous rims surrounding high interior basins. The main mountain chain is the Zagros Mountains, a series of parallel ridges interspersed with plains that bisect the country from northwest to southeast. Many peaks in the Zagros exceed 3,000 metres (9,843 ft) above sea level, and in the south-central region of the country there are at least five ...
