Peopleware: Productive Projects and Teams (3rd Edition

Peopleware: Productive Projects and Teams is a 1987 book on the social side of software development, specifically managing project teams. It was written by software consultants Tom DeMarco and Tim Lister, from their experience in the world of software development.This book was revised in 2013.

Peopleware: Productive Projects and Teams - Wikipedia

Peopleware is a book about sociology within software companies. The thesis is that projects fail because of â€œsocialâ€• reasons, not technical ones. Part I focuses on the individual. You must understand his or her motivations and perceptions to be able to act accordingly.
