The Stepford Wives is a 1972 satirical thriller novel by Ira Levin. The story concerns Joanna Eberhart, a photographer and young mother who begins to suspect that the frighteningly submissive housewives in her new idyllic Connecticut neighborhood may be robots created by their husbands.. The book has had two feature film adaptations, both using the same title as the novel: the 1975 version, and ...

A wife is a female partner in a continuing marital relationship.. The term continues to be applied to a woman who has separated from her partner, and ceases to be applied to such a woman only when her marriage has come to an end, following a legally recognized divorce or the death of her spouse. On the death of her partner, a wife is referred to as a widow, but not after she is divorced from ...
